Our Child Care Providers

At the Alta Children's Center, our Child Care Providers take pride in creating a nurturing and creative atmosphere where your child can play, learn and grow. Each one of our Child Care Providers is trained in early childhood education, has been federally background checked and is certified in infant and child CPR and first aid. Under the direction of Ilse Wilson, owner of Fairyland Child Care, Inc. dba Alta Children's Center, she ensures high quality because quite simply put, her passion is child care. She has her degree in Early Childhood Education, won the 2016 Early Childhood Teacher of the Year and is a 2017 National teacher award winner. Ilse was born in South Africa to a German family and speaks English, Afrikaans and German fluently.

Need evening care? Pick up a recommended babysitter list at the front desk. Professionals are at least 18 years old, CPR & First Aid trained, background checked, and experience is listed on the sheet. Evening babysitters are not associated with the Alta Children's Center after hours, and therefore need to be paid directly for services.
